RE: Bond
Light Star Energy Group LLC
A-2020-3019081

Dear Mosheh Afrah:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Light Star Energy Group LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

Bond is filed on an outdated template. Please **revise using the most recent version of the template** (available on the Commission website and also attached).

When submitting the bond, kindly ensure that it bears **"wet ink" original signatures from both the Principal Company and the Surety company**. In addition, the bond must include the **Surety company's raised seal**.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large, stylized 'M'.

Matthew L. Homsher
Secretary
