PARTIES OF RECORD

In re: Application of Pennsylvania American Water Company for approval to alter the public crossing (DOT 591 558 K) by the installation of an underground 12-inch ductile iron watermain within a 24-inch steel casing pipe by method of jack and bore where T-381 (Montello Road) crosses, at grade, one (1) track of East Penn Railroad LLC located in Spring Township, Berks County.

To Whom It May Concern:

The above-captioned application was filed with the Commission requesting approval to alter the public crossing within the right-of-way of the subject highway.

It is requested that each party in interest review the application and notify the Commission of any objection to the application by November 24, 2025. If no objection to the application is filed with the Commission by the above stated date, the Commission will approve the application permitting Pennsylvania American Water Company to install its facilities through the public crossing listed in this proceeding in accordance with Section 2702, Title 66 of the Pennsylvania Public Utility Code.

All parties are being sent this notice by e-mail. Please eFile any written objections and formal correspondence via <https://efiling.puc.pa.gov> and e-mail a copy to the below address.
