SURCHARGE

STATE TAX ADJUSTMENT SURCHARGE

In addition to the charges provided in this tariff, a surcharge of **(0.09%)** will apply to all charges for service rendered on or after the Effective Date shown on the bottom of this page.

| D

The above surcharge will be recomputed, using the same elements prescribed by the Commission.

- a. Whenever any of the tax rates used in calculation of the surcharge are changed,
- b. Whenever the utility makes effective any increased or decreased rates; and
- c. On or before March 31 of each year thereafter.

The above recalculation will be submitted to the Commission within 10 days after the occurrence of the event or date which occasion such recomputation; and, if the recomputed surcharge is less than the one then in effect, the Company will, and if the recomputed surcharge is more than the one then in effect, the Company may, submit with such recomputation a tariff or supplement to reflect such recomputed surcharge, the effective date of which shall be 10 days after filing.
