**INTERIM ORDER**  
**CONVERTING HEARING FROM IN-PERSON TO TELEPHONIC**

On October 15, 2025, an Initial In-Person Hearing Notice (“Notice”) was issued scheduling this matter for an in-person hearing on December 11, 2025 at 11:00 a.m. in Harrisburg, Pennsylvania. The Notice was served on Roxane Leaveck (“Complainant”) by First-Class Mail to the address Complainant registered with the Pennsylvania Public Utility Commission (“Commission”).

Also, on October 15, 2025, a Prehearing Order was issued setting forth the general rules that would govern the in-person hearing. The Prehearing Order also directed Roxane Leaveck (“Complainant”) to file a status report, on or before December 1, 2025, indicating that she still wished to have an in-person hearing and that she intended to attend and participate in the in-person hearing. The Prehearing Order further provided that failure of Complainant to file a status report would result in conversion of the hearing to a telephonic hearing to avoid unnecessary expenses to the parties. The Prehearing Order was served on Complainant by First-Class Mail.

Complainant failed to file a timely status report indicating her wish to have an in-person hearing or intention to attend and participate in the in-person hearing. As such, the hearing will be converted to telephonic.
