**Re: UGI Utilities, Inc. – Gas Division;
Docket Nos. R-2021-3030218 and R-2024-3052716;
Weather Normalization Adjustment Pilot Reporting**

Dear Secretary Homsher:

Enclosed for filing on behalf of UGI Utilities, Inc. – Gas Division (“UGI Gas” or the “Company”) is the Company’s reporting on its Weather Normalization Adjustment (“WNA”) pilot for the period of April 2025 – October 2025. Initial reporting requirements for the Company’s WNA were established with the approval of the pilot in the Public Utility Commission’s (“PUC”) Order entered September 15, 2022, at Docket No. R-2021-3030218¹. These reporting requirements were modified with the PUC’s Order entered September 11, 2025 at Docket No. R-2024-3052716².

Copies of this document are being provided as indicated on the attached Certificate of Service.

Should you have any questions, please contact Tracy Hazenstab, Sr. Manager – Utility Rates, either by phone at (814) 574-4168 or by email at thazenstab@ugi.com.

Sincerely,

Signed by:

¹ All WNA activity during these revenue months were related to billing periods that ended within the WNA period (October 1 - May 31), but the related invoices posted on or after June 1. This activity also includes any cancel and rebills for prior periods that occurred during these months.

² The bill counts presented in the table above and below for each month will differ. The table above as noted in the header is presented based on the month the revenue was billed and recorded. This means that some of the bills invoiced during the month may be related to billing periods that ended in the prior month(s). The data in the table below is presented by the month in which the billing period ended, regardless of when bill was invoiced and recorded. In this presentation all data will fall within only the months to which WNA is applicable as per the Tariff.
