

Docket No. A-2025-3058414 M B Getz Asphalt Maintenance LLC

Request for Information

- 1.) M B Getz Asphalt Maintenance LLC's previous application was denied on October 28, 2025, when the Commission determined that the proposed service was exempt from Commission regulations. Please describe (in detail) what, if any, circumstances has changed in the business that is conducted by M B Getz Asphalt Maintenance LLC since your last application to the Commission.

To whom it may concern,

This letter is to clarify the commodities hauled under M.B. Getz Asphalt Maintenance. Our operation hauls sand, stone, and soil exclusively. These materials are transported as for-hire commodities, and we understand that this type of hauling requires the appropriate PUC authority.

We are not hauling general freight, motor vehicles, or machinery. Our services are limited strictly to the transportation of sand, stone, and soil as listed on our application.

If any further information or documentation is needed, please let me know.

Sincerely,

M.B. Getz Asphalt Maintenance
