**RE: Pennsylvania-American Water Company Supplement No. 55 to Tariff Water-PA P.U.C. No. 5 - Docket No. R-2025-3057687**

Dear Secretary Homsher:

In accordance with Ordering Paragraphs 2-3 of the Commission's Order dated November 6, 2025, enclosed please find the Pennsylvania-American Water Company ("PAWC") PFAS Litigation Universal Credit Rider Report ("Report").

Please note that due to a system error, the amount of the credit per customer was rounded up to the nearest cent (\$26.06) rather than rounded down (\$26.05) as provided for on page 40 of Tariff Water PA P.U.C. No. 5. Due to this error, rather than an excess of \$4,741 being available to be contributed to PAWC's H2O Help to Others Program to fund customer Hardship Grants, there was a deficiency of \$2,222, which will be reconciled as part of the calculation of the next credit. A shareholder-funded contribution of \$4,741 has been made to fund Hardship Grants as if the error had not been made. PAWC has evaluated its internal processes and controls and is confident that this error will not be repeated in the future.

Please note this Report has been served on everyone on the attached Certificate of Service. Please contact me if you have any questions about this filing.

Sincerely,

Elizabeth Rose Triscari
