

Petition for Reconsideration from Staff Action

Docket #A-2025-3057607 PUC#A-8928295

- I. This letter is being written to the Pennsylvania Public Utility Commission, as a follow up to the "Dismissal Letter" sent to me.
- II. On September 24, 2025 I received a letter from the PUC stating that my insurance company needed to submit the Form E and Form H on the TylerInsurancefilings.com website to prove liability and cargo insurance coverage. I informed my insurance agent of this on September 24, 2025 the same day I received the letter. They assured me this would be taken care of. I trusted that it was done and didn't think anything about it until this current "dismissal letter" showed up yesterday.
- III. I have since talked to my insurance agent and they have tried to submit these filings on the Tyler insurance filings website and it was rejected because of the "application being dismissed."
- IV. Can you please re instate my PUC activity so that my insurance company may provide these necessary forms online, and we can get this behind us. I really appreciate any help in this matter so I don't have to go through the entire application process all over again.
