

## Notification of Proposed Major Construction Project

**To: The Pennsylvania Public Utility Commission**

The following information is submitted in compliance with 52 Pa. Code 59.38. The Company (listed below) hereby gives notice of the proposed major construction hereinafter described.

**Routing Instructions:** Copies are to be sent at least 30 days prior to the commencement of work to the Pennsylvania Public Utility Commission and the Company Pipeline Safety Representative. After the major construction is completed, the Completion Notice is to be signed, dated and copies sent to the Pennsylvania Public Utility Commission and the Company Pipeline Safety Representative.

A copy of each construction notice should also be retained in the facility line pocket.

(See SOP 340-05 for addresses and additional instructions)

Description of Project			
CONSOL will be undermining ~4,800' of Bare Steel Peoples Natural Gas Pipelines along Whitehorn Rd and Jones Rd.			
Peoples must put protective measures in place to ensure their pipelines are protected while subsidence due to undermining occurs.			
ENBRIDGE owns pipelines in the vicinity of the Peoples Natural Gas Pipelines. These pipelines will also be undermined. Enbridge has requested that Peoples move their pipelines to the road ROW, which is outside of their proposed work area. This will reduce the environmental impact in their work area.			
Peoples has made the operational decision to replace these bare steel segments of pipe with new MDPE pipe, move to the road ROW, and put protective measures in place in those locations.
