Request for Information

On your application, **Question # 10** where you are asked to list the “commodities you intend to transport”, you answered: *Vehicles*. Please clarify your answer about the cargo you haul.

1.) Are the vehicles you are towing transported to and from your place of business where you will repair them?  YES  NO

2.) Do you offer roadside assistance?  YES  NO

3.) Do you repair vehicles?  YES  NO

4.) Do you repossess vehicles?  YES  NO

5.) Do you offer any other services not mentioned above? If you answer “YES” to any of the questions above, including “other services”, please list all services you offer, in detail and explain.

I transport vehicles that my business buys, vehicles that customers would like to be transported to another place, ie a house to another house, and I am a mobile mechanic, so if a customers car is stuck, I can move it to their house and I fix it at their house.
