Re: Petition of City of Lock Haven Water Department for a Lead Service Line Replacement Program – Docket No. P-2024-3050183

Dear Secretary Homsher:

Pursuant to the Pennsylvania Public Utility Commission’s (“Commission”) November 6, 2025 Order in the above-referenced proceeding, the City of Lock Haven Water Department (“the City”) electronically filed an Excel version of its current lead service line inventory which reflects that no lead service lines have been identified in the City’s Commission jurisdictional area using the Commission’s **SharePoint** filing system.

Enclosed for electronic filing please find the City’s verified statement that identifies the types of lines remaining in non-Commission jurisdictional areas of the City (that are not in unknown status) with regard to the above-referenced matter.

Copies to be served in accordance with the attached Certificate of Service. Please contact me with any questions or concerns.

Sincerely,

Sarah C. Stoner
