PUBLIC STATEMENT OF THE OFFICE OF CONSUMER ADVOCATE
PURSUANT TO 71 P.S. SECTION 309-4(e)

Act 161 of the Pennsylvania General Assembly, 71 P.S. Section 309-2, as enacted July 9, 1976, authorizes the Consumer Advocate to represent the interests of consumers before the Pennsylvania Public Utility Commission (Commission). In accordance with Act 161, and for the following reasons, the Consumer Advocate determined to intervene and participate in the Petition of PECO Energy Company for Approval of Its Act 129 Phase V Energy Efficiency and Conservation Plan (Petition).

On December 1, 2025, PECO Energy Company (PECO) filed the Petition, pursuant to Section 2806.1 of the Public Utility Code and pursuant to the Implementation Order entered by the Commission at Docket No. M-2025-3052826 on June 18, 2025. The five-year costs of PECO's EE&C Phase V Plan (June 1, 2026, through May 31, 2031) are projected to be \$427.4 million. Petition at 9. PECO claims that its Phase V programs are designed to produce: (1) 1,458,076 MWh in energy savings, or 131% of PECO's overall energy savings target; and (2) 264.5 MW of PDR, or 136% of its PDR target. *Id.* at 1. With respect to residential customers, PECO has proposed the following four residential customer energy efficiency programs: (1) The Residential Program; (2) The Residential Low-Income Subprogram; (3) The Residential Home Energy Reports (HER) Program; and (4) Residential Low-Income HER Subprogram. *Id.* at 9-10.

The Consumer Advocate determined to intervene in this proceeding to protect the interests of PECO's customers; to ensure that the proposed Plan and programs are in accordance with Act 129 and all other applicable statutes, regulations, and Commission Orders; to ensure that any changes in service resulting from the adoption of the proposed programs are safe, reasonable, adequate, and efficient; and to ensure that any changes in rates resulting from the adoption of the proposed programs and any related expenses are just and reasonable.
