ORDER
CLOSING THE RECORD

On July 10, 2025, Sandra Thomas filed a Formal Complaint with the Pennsylvania Public Utility Commission against PECO Energy Company, alleging that PECO is not properly crediting her PECO account for solar production. The Complaint was served on July 17, 2025.

On August 5, 2025, PECO filed an Answer to the Complaint denying the material allegations of the Complaint.

An evidentiary hearing was held in this matter on October 30, 2025. Both parties were represented at the hearing. During the hearing, Ms. Thomas experienced inability to read Respondent’s Exhibit 1, which is a customer contact list between Ms. Thomas and PECO. Therefore, it was agreed that PECO would submit a legible copy of Respondent’s Exhibit 1 following the hearing for her review. PECO complied with this request on the same day, and Ms. Thomas did not object to the admission of Respondent’s Exhibit 1 into the hearing record.

By this Order Respondent’s Exhibit 1 will be admitted into the record in this proceeding. This Order will also close the evidentiary hearing record.

THEREFORE,

IT IS ORDERED:

1. That Respondent's Exhibit 1 is admitted into the record in this proceeding.
2. That the evidentiary record in this matter is closed.
