RE: Electric Generation Supplier License Application

Dear Mr. Homsher:

I received notification from Kathryn Liddell via email that we needed to correct our Disclosure Statement and contract summaries for our PA PUC application.

I have included the corrected Residential and Small Business Disclosure Statement along with corrected Variable and Fixed contract summaries for your review. Please advise if there is anything else you need to move forward with our application process.

I can be reached by email at [kcoghlan@uspowersupply.com](mailto:kcoghlan@uspowersupply.com) if needed.

Sincerely,

A handwritten signature in black ink, appearing to read "K.J. Coghlan", written over a faint circular stamp.

K.J. Coghlan  
U.S. Power Supply

**U.S. Power Supply LLC  
Residential and Small Business Disclosure Statement  
(Pursuant to 52 Pa. Code § 54.5)**

**This is an agreement for electric generation service, between (EGS name) and  
(customer's name and address).**

**Background**

We at U.S. Power Supply LLC ("Supplier" or "U.S. Power Supply") are licensed by the Pennsylvania Public Utility Commission (PA PUC) to offer and supply electric generation services in Pennsylvania.

Our PA PUC License Number: TBD Application Pending

We set the generation prices and charges that you pay. The Public Utility Commission regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

**Billing Options:**

You will receive a single bill from your Electric Distribution Company (EDC) that contains both EDC and U.S. Power Supply charges.

**Right of Rescission**

You may cancel this agreement at any time before midnight of the third (3rd) business day after receiving this disclosure. You may contact us by phone, in writing, or electronically (if available) to cancel. See Section 12 for how to contact us.

**Definitions**

- Generation Charge – The charge for producing electricity.
- Transmission Charge – The charge for moving high-voltage electricity from a generation facility to the distribution lines of your EDC.

**Terms of Service****1. Basic Service Prices****Fixed Price Option:**

You will pay a fixed price of \$ per kWh for electric generation service. This price will remain constant for the term of your contract. This price includes Transmission Charges (if applicable) and estimated state taxes, including the Gross Receipts Tax, but excludes applicable local Sales Tax.

**Variable Price Option:**

You will pay a variable price that may change monthly based on cost of electricity supply purchased, transmission costs, administrative costs, and margin. The price for the first billing month will be \$ per kWh. There are no additional fees. There is no cap. Customer will be notified of variable rate pricing on consolidated bill.

**DATE OF DEPOSIT**

DEC 04 2025

**THIS IS A VARIABLE RATE PRODUCT. YOUR PRICE MAY CHANGE EACH MONTH AND YOU WILL NOT KNOW THE PRICE UNTIL THE TIME OF BILLING, THERE IS NO LIMIT ON PRICE INCREASES.**

**For all products: This price includes Transmission Charges (if applicable) and estimated Total State Taxes, including the Gross Receipts Tax, but excludes applicable state and local Sales Tax.**

More information about this variable price product, including past prices, can be found at [www.uspowersupply.com](http://www.uspowersupply.com) or by calling 1-800-494-3480. Please note that past prices do not indicate future prices.

## **2. Duration of Agreement**

**Fixed Duration Agreement** – You will buy your electricity generation service for the above address from U.S. Power Supply beginning on the date set by your EDC and will continue for (XX) months. Before the end of the term, you will receive renewal options or any current rate offering available. If a renewal option or rate offering is not responded to then you will transition to a month to month variable rate, or can cancel and return to default service, or choose another supplier.

**Month-to-Month Agreement** – You will buy your electricity generation service for the above street address from US Power Supply beginning on the date set by your electric distribution company (EDC) and will continue on a month to month basis unless cancelled by either party.

## **3. Special Terms and Conditions**

This offer could include a rebate, the rebate will equal 20% of the average month's energy supply costs after every 12 months of service.

## **4. Special Services**

No special or non-basic services are included.

## **5. Penalties, Fees, and Exceptions**

**There are no cancellation or early termination fees.**

## **6. Cancellation Provisions**

**Non-Payment** – If your energy service is cancelled by your Utility, then this Agreement is cancelled on the date that your energy service is cancelled. You will owe us for amounts unpaid for our charges for energy service up to the date of cancellation.

**Company-Initiated Cancellation** – If US Power Supply cancels this Agreement for any reason other than for customer non-payment, we will follow applicable rules in providing notice to you.

**Customer-Initiated Cancellation** – You may cancel this agreement at any time by contacting U.S. Power Supply by phone, email, or mail. Please see the contact information in Section 12 for our contact information. If you cancel this Agreement before the end of the initial term, you will owe us for amounts unpaid up to the date of cancellation.

**Customer Move** – If you move outside of your EDC territory, this agreement will be automatically cancelled.

## **7. Renewal / Agreement Expiration / Change in Terms**

**Fixed-duration Contracts** - If you have a fixed duration contract that will be ending, or whenever US Power Supply LLC wants to change the contract, you will receive two separate notices before the contract ends or the changes happen. You will receive the first notice 45-60 days before, and the second notice 30 days before the expiration date or the date the changes become effective. These notifications will explain your options. Customer will not be subject to a penalty or fee if the customer terminates the contract at any time between the date the options notice is issued and the expiration of the contract.

**Month-to-month Contracts** - If US Power Supply LLC wants to change the contract, you will receive two separate notices before the changes happen. You will receive the first notice 45-60 days before the change, and the second notice 30 days before the change. These notices will explain your options. Customer will not be subject to a penalty or fee if the customer terminates the contract at any time between the date the options notice is issued and the expiration of the contract.

## **8. Contract Assignment**

This contract may be assigned to another licensed supplier. Prior to any assignment, U.S. Power Supply will notify you of the new supplier's name, contact information, estimated transfer date, and confirm that all existing terms and conditions will remain unchanged.

**9. Net Metering / Eligibility** – The following accounts are ineligible for this offer: (1) any customer account participating in energy assistance or low-income rate programs; (2) any customer account served by an electric cooperative or municipally-owned utility; or (3) any net-metered customer account.

## **10. Consent to Obtain Customer Information**

By entering into this agreement, you authorize U.S. Power Supply to obtain your account information from the EDC, such as your name, address, telephone number, electric usage, and historic payment information, for the purposes of coordinating your enrollment and ongoing service. This authorization will remain in effect for the term of the agreement unless rescinded. You may elect to withhold or rescind all information, via a returned signed form, orally or electronically. Please see the contact information in Section 12 for our contact information. U.S. Power Supply reserves the right to cancel this Agreement in the event you withhold or rescind the authorization
