**INTERIM ORDER
ATTACHING CORRESPONDENCE TO RECORD**

On December 4, 2025, I received correspondence from Complainant. There is no indication that she provided a copy of this correspondence to counsel for the Company. Therefore, in order to cure the *ex parte* nature of the correspondence, I have attached a copy to the instant Order.

THEREFORE,

IT IS ORDERED:

1. That parties shall serve a copy of all correspondence sent to me or the Commission upon the other party.
2. That the parties appear for the evidentiary hearing scheduled in this matter.

RE-WRITE OF

09-19-24 COMPLAINT

I do this because I am
STILL getting calls FROM
PW REGARDING SOME
TYPE OF MEETING..

09-19-24-SPECIFICS

- PWSA has been seen digging holes on the property of my deceased parents - 6789 Rodan Street.
- PWSA has been seen tearing down the outside cellar door and breaking and walking inside the cellar.

When I went to the property to do a check the cellar door was broken and standing wide open.

- Neighbors reported a U-HAUL parked in front of parent's property with individuals taking liberties walking all over the front and back yards. When the neighbors began asking them questions, they abruptly left.

- In addition to PWSA's stating they MUST get accurate Billing, getting their METER and inserting

RESPECT on the part
of PWSA has been going

with illnesses, for which
I had no toleration for.
And I remember saying

my sister and I would
just prefer PUC
deal with
PWSA, serve
