Re: Electric Generation Supplier License of Amrize Cement Inc.

Dear Ms. Stripes:

On October 9, 2025, Holcim (US) Inc. (Holcim) filed a request with the Pennsylvania Public Utility Commission (Commission) to change the name on its license to provide electric generation services, as a supplier, to Amrize Cement Inc. (Amrize Cement).

Currently, Holcim is licensed as Holcim (US) Inc. as a supplier to large commercial (over 25 kW demand) customers in the electric distribution company service territory of PPL Electric Utilities Corporation in the Commonwealth of Pennsylvania.

Amrize Cement has provided the proper Pennsylvania Department of State documentation and has provided proof of service to the interested parties as required by the Commission. Furthermore, Amrize Cement has provided an update to its financial security instrument reflecting its new name.

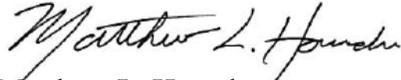

Therefore, the Commission approves, by this Secretarial Letter, the change of Holcim (US) Inc.'s name on its license for the provision of electric generation services as a supplier.

The Secretary's Bureau will issue a new license to Amrize Cement Inc. the right to begin to offer, render, furnish, or supply electric generation services as a supplier to large commercial (over 25 kW demand) customers in the electric distribution company service territory of PPL Electric Utilities Corporation in the Commonwealth of Pennsylvania.

The Secretary's Bureau will update the company's name in its computer system and lists, as appropriate, to be Amrize Cement Inc.

If you have any questions in this matter, please contact Jeff McCracken of the Bureau of Technical Utility Services at jmccracken@pa.gov or 717-783-6163.

Sincerely,

A handwritten signature in black ink that reads "Matthew L. Homsher". The signature is written in a cursive style with a large initial "M".
