In Re: A-8928490; A-2025-3059150 - Application of SMOKER PAVING INC

I, John Smoker, the president of Smoker Paving, Inc., am writing on behalf of the company to petition for reconsideration from staff action on the application of the company.

I believe that I may have misinterpreted question number 1 from the request for information that was sent to us. The question was: "Will the commodities you listed (stone, asphalt, millings) be transported by Smoker Paving Inc. to purchasers directly from Smoker Paving Inc.?" The answer was yes. However, upon reading again, the materials don't come from Smoker Paving, Inc. directly. They are picked up by Smoker Paving, Inc. at quarries and asphalt plants which are then delivered to the job site on which we are working.

VERIFICATION

I, John Smoker, hereby state that the facts set forth above are true and correct (or are true and correct to the best of my knowledge, information and belief) and that I expect to be able to prove the same at a hearing held on this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities).
