RE: Supplement No. 15 to PA P.U.C. No. 2

Dear Secretary Homsher:

Attached are revisions to the Level 3 Telecom Data Services, LLC Pa. P.U.C. Tariff No. 2, issued under Tariff Filing Supplement No. 15. This filing is issued on December 16, 2025, to become effective on January 30, 2026.

This filing serves to grandfather the following services: FlexVoice<sup>SM</sup> Service, Deluxe Feature Package and Custom Feature Package. Effective January 30, 2026, these services will be available only to existing customers at their current service locations. Additionally, clarifying language is being added to the Regulations section to formally define the term "grandfathered" and outline the associated service limitations. We are also adding (Grandfathered) to SIP Trunking and Converged Voice in the Index and (Grandfathered) on Page 100 in Section 5 to SIP Trunking; they were previously grandfathered on April 15, 2020 and January 31, 2022, respectively.

Sincerely,

A handwritten signature in cursive script that reads "Marla Hazlett".
