A-2025-3054630

TO ALL PARTIES OF RECORD

Application of Southeastern Pennsylvania Transportation Authority for approval to alter the public crossings (DOT 592 988 Y and DOT 592 989 F) by the rehabilitation of the bridges where Easton Road (County road) located in Cheltenham Township and Keswick Avenue (Township road) located in Cheltenham Township and Abington Township cross, below grade, two (2) tracks of Southeastern Pennsylvania Transportation Authority all located in Montgomery County, and an exemption from the Commission's minimum side clearances required by 52 Pa. Code, Section 33.122.

To Whom It May Concern:

On October 8, 2025, the Southeastern Pennsylvania Transportation Authority (SEPTA) notified the Commission by electronic mail that the alteration of the subject crossings has been completed.

On November 5, 2025, a Commission staff engineer inspected the subject crossings and confirmed that all work was completed in compliance with the Secretarial Letter issued May 15, 2025.

At our initial field investigation and conference, the maintenance of the sidewalks at the Easton Road crossing (DOT 592 988 Y) could not be determined. Because this crossing provides access to the Glenside station platforms, it was noted that SEPTA had been performing the maintenance of the curbs, sidewalks and in addition, providing for the removal of snow, ice and debris from the raised pedestrian sidewalks. SEPTA was directed to maintain these items at its initial cost and expense, until a final determination for these maintenance items was made. On November 11, 2025, SEPTA notified the Commission by electronic mail that it agrees to maintain the aforementioned items.

On November 12, 2025, a Commission staff engineer queried all parties of record regarding any unresolved issues or initial costs. None of the parties have responded with any concerns. We have carefully reviewed the record of this proceeding, and all outstanding matters have been satisfied by the parties.

The Commission issues this Secretarial Letter in accordance with Section 2702 of the Public Utility Code, THEREFORE:

1. Paragraph 19 of our Secretarial Letter dated May 15, 2025, which reads as follows, to wit:

“19. Southeastern Pennsylvania Transportation Authority, at its *initial cost*, furnish all material and perform all work necessary to maintain the curbs and sidewalks, including the removal of snow, ice and debris at the Easton Road crossing (DOT 592 988 Y).”

be and is hereby modified to read:

19. Southeastern Pennsylvania Transportation Authority, at its *sole cost and expense*, furnish all material and perform all work necessary to maintain the curbs and sidewalks, including the removal of snow, ice and debris at the Easton Road crossing (DOT 592 988 Y).

2. In all respects not inconsistent herewith, our Secretarial Letter dated May 15, 2025, remains in full force and effect.

3. The case be “CLOSED.”

The Parties are reminded that failure to comply with this or any Order or Secretarial Letter in this proceeding may result in an enforcement action seeking civil penalties and/or other sanctions pursuant to 66 Pa. C.S. § 3301.
