RE: Surety Bond Continuation  
AAA Northampton County  
A-00108261

Dear Ms. Wesoly-Woodward:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of AAA Northampton County because it is not acceptable.

The Commission requires a broker of passengers or broker of household goods to file a current and active original bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a broker's licensing requirements under Section 39.15 of the Pennsylvania Public Utility Code.

The enclosed financial instrument does not have a "wet ink" original signature or raised seal of the surety company. Please file the original financial instrument with my office within 20 days of the date of this letter, preferably by overnight delivery to my office address listed above.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large initial 'M'.

Matthew L. Homsher  
Secretary of the Commission
