Dear Sir,

At this time I am objecting to the filing of a Certificate of Satisfaction of Complaint. The statement that I am fully satisfied is not true. Frontier has not contacted me and offered what they had previously stated. I have not seen any work towards the fiber wire being done. Frontier has a lengthy file that represents the interruption of my internet. It is not a company that I can believe will complete the work. Its been three long years of service interruption.

Docket No. C-2025-3058373

Sincerely,

Holly Reyburn
