**RE: Distribution System Improvement Charge
Effective January 1, 2026
M-2025-3059286**

Dear Ms. Arp:

The Bureau of Audits has reviewed Veolia Water Pennsylvania Inc.'s quarterly Distribution System Improvement Charge (DSIC) filing submitted on December 16, 2025 to become effective on January 1, 2026. In the filing, the Company is not proposing to revise its currently effective DSIC rate of 0.00%.

Based upon staff review, it appears that the proposed DSIC rate for the three-month period of January 1, 2026 through March 31, 2026 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The DSIC is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. §1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3059286.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive, flowing style.

Matthew L. Homsher
Secretary
