Re: Application of Hospitrans Corporation t/a Hospitrans Corp for Paratransit Authority
Docket No. A-2025-3055838
PUC No. A-6428056

Dear Secretary Homsher,

I am writing on behalf of Hospitrans Corporation t/a Hospitrans Corp regarding the above-referenced application for Paratransit Authority, which was approved by the Pennsylvania Public Utility Commission pursuant to the Commission's letter dated October 24, 2025.

I respectfully request an extension of time to file the required evidence of insurance (Form E).

Due to being temporarily away from my residence, I was unable to review the Commission's correspondence immediately. I read the Commission's letter on Monday, December 15, and since that date, I have been actively and diligently contacting multiple insurance providers in order to secure compliant commercial automobile liability insurance for Paratransit operations.

As the Commission is aware, obtaining appropriate insurance coverage for Non-Emergency Medical Transportation and Paratransit services can be challenging and time-sensitive. Nevertheless, I remain fully committed to complying with all Commission requirements. Once coverage is secured, my insurance carrier will promptly file an acceptable Form E

through Tyler Insurance Filings.

Additionally, I respectfully advise that the tariff will be submitted concurrently with the insurance filing, in accordance with the Commission's instructions.

Given these circumstances, I respectfully request a reasonable extension of time to complete and submit the required insurance and tariff documentation, so that my application may proceed without dismissal and in full compliance with Commission regulations.

Thank you for your time, understanding, and consideration. Please do not hesitate to contact me should additional information be required.

Respectfully submitted,

Salomon Lopez
