**RE: Energy Efficiency Rider**  
**Effective January 1, 2026**  
**M-2025-3059357**

Dear Ms. Danhires:

The Bureau of Audits has reviewed Columbia Gas of Pennsylvania, Inc.'s proposed Supplement No. 405 to Tariff Gas – Pa. P.U.C. No. 9 and the supporting rate computations submitted on December 17, 2025 to become effective on January 1, 2026.

Based upon staff review, it appears that the proposed Energy Efficiency (EE) rates for the three-month period of January 1, 2026 through March 31, 2026 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The EE rates are subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3059357.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large initial 'M'.

Matthew L. Homsher  
Secretary
