8. On December 16, 2026, the Office of Small Business Advocate filed a Notice of Intervention.

9. On December 18, 2025, the Secretary’s Bureau issued a Secretarial Letter extending the deadline for petitions to intervene to January 5, 2026 and comments to January 18, 2026.

II. Petition to Intervene

11. Eligibility to intervene in Commission proceedings is governed by the Commission's regulations found at 52 Pa. Code § 5.72. The Commission's regulations provide that in order to have the ability to intervene, a party must have "a right or interest" sufficient to warrant intervention, which includes an interest that may be directly affected by the proceeding and which is not being adequately represented by existing participants, and where the petitioner may be bound by the actions of the Commission or where the right or interest is otherwise in the public interest. *Id.*

12. PSU has such an interest. PSU is a major customer of FirstEnergy at its University Park campus. PSU also receives service from FirstEnergy at its New Kensington, Fayette, and Mont Alto campuses. PSU participates in FirstEnergy's EE&C program offerings.

13. As a large customer, PSU will be substantially and directly affected by any decision, final order, or settlement in this matter and will be bound thereby. PSU is continuing to review the filing to determine if it is reasonable, appropriate, and consistent with statutory requirements and regulatory principles. Moreover, PSU has an interest in any changes or modifications to the filing that may be proposed by parties other than FirstEnergy.

14. PSU intervened in FirstEnergy's Phase I, Phase II, and Phase III EE&C Plans prior to Metropolitan Edison Company's, Pennsylvania Electric Company's, Pennsylvania Power Company's, and West Penn Power Company's merger with and into FirstEnergy. *See, e.g.*, Docket Nos. M-2009-2093218; M-2012-2334398; and M-2015-2514772.

15. For the reasons stated above, PSU's intervention in this matter meets the intervention standards of 52 Pa. Code § 5.72 and is otherwise in the public interest. Accordingly, PSU requests that this intervention be granted and that it be allowed full party status in this matter.

WHEREFORE, The Pennsylvania State University respectfully requests that the Public Utility Commission grant it party status in the above-captioned matter.

Respectfully submitted,

/s/ Whitney E. Snyder
