Utility Code: 1714814

JACOB LYONS DIRECTOR

RE: Act 127 Registration Abandonment

Dear Mr. Lyons:

This letter addresses the pipeline facilities at Docket No. A-2012-2312281, that were erroneously filed under the name of Ian Chappel, however the pipeline facilities should have been listed as EQT Production (EQT). EQT has notified the Pennsylvania Public Utility Commission (Commission) that the assets previously filed at Docket No. A-2012-2312281 have been identified as production well lines and are not jurisdictional pipeline facilities, and that its registration filed pursuant to Act 127 was submitted in error.

Accordingly, EQT requests the cancellation of its Act 127 registration associated with Docket No. A-2012-2312281.

Based upon the representations provided and the Commission's internal review, the Commission hereby approves the abandonment of the Act 127 registration associated with Docket No. A-2012-2312281 and will remove it from its registry of pipeline operators, effective upon the issuance date of this letter.

Please direct any questions to Lee Yalcin, Financial Analyst, Bureau of Technical Utility Services, by email lyalcin@pa.gov (preferred) or (717) 787-6723.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
