Dear Mr. Doueck:

On November 20, 2025, the Commission received your Application of AEC Energy LLC d/b/a AEC Energy Management for approval to supply electric generation services to the public in the Commonwealth of PA. Upon initial review, the Application has been determined to be incomplete for the following reasons:

- The filing fee for the application must be in the form of a certified check or money order.
- The Application is outdated. Your Application must be based on the latest version of the template, accessible in the application packet on our website. (In other words, the revised version date on the application form must be listed as "9/23/25" and not "1/4/24".)

Please return your items to the above listed address and address to the attention of Secretary Homsher. Failure to do so within 20 days of the date of this letter will result in the Application being returned unfiled.

Should you have any questions pertaining to your application, please contact our Bureau at 717-772-7777.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.

Matthew L. Homsher
