PETITION TO INTERVENE

Pursuant to 52 Pa. Code §§ 5.71, 5.72 and 5.74, Manchester Township (“Manchester”), by and through its attorneys, Obermayer Rebmann Maxwell & Hippel LLP, hereby files with the Pennsylvania Public Utility Commission (the “Commission”) this Petition to Intervene in the above-captioned Joint Application of American Water Works Company, Inc., Essential Utilities, Inc., Aqua Pennsylvania, Inc., Aqua Pennsylvania Wastewater, Inc., Peoples Natural Gas Company LLC, and Alpha Merger Sub, Inc. for a Certificate of Public Convenience under Sections 1102(a)(3) and 2210(c) of the Public Utility Code and All Other Necessary Approvals to Effect a Change of Control of Aqua Pennsylvania, Inc., Aqua Pennsylvania Wastewater, Inc., and Peoples Natural Gas Company LLC. The Application directly affects the interests of Manchester, which are not adequately represented by any existing party. For the reasons that follow, Manchester respectfully requests that the Commission grant its Petition to Intervene, and in support thereof avers as follows:

1. Petitioner, Manchester, is a duly organized and validly existing Township of the Second Class located in York County, Pennsylvania, with a business address of 3200 Farmtrail Road, York, Pennsylvania 17406.

2. Manchester is interested in the above-captioned docket as a party to a bulk agreement with Pennsylvania-American Water Company (“PAWC”) pursuant to which PAWC provides wastewater collection, conveyance, and treatment services to Manchester’s residents resulting from PAWC’s 2022 acquisition of the wastewater system assets of the City of York (the “City”).

3. Manchester seeks to intervene to represent and protect the interests of its residents and constituents who became PAWC’s customers pursuant to that transaction. Specifically, Manchester seeks to ensure that these customers retain the same benefits and protections provided for in that transaction.

4. 52 Pa. Code § 5.72 sets forth the eligibility requirements for a party to intervene and provides in part as follows:

(a) Persons. A petition to intervene may be filed by a person claiming a right to intervene or an interest of such nature that intervention is necessary or appropriate to the administration of the statute under which the proceeding is brought. The right or interest may be one of the following:

(1) A right conferred by statute of the United States or of the Commonwealth;

(2) An interest which may be directly affected and which is not adequately represented by existing participants, and as to which the petitioner may be bound by the action of the Commission in the proceeding;

(3) Another interest of such nature that participation of the petitioner may be in the public interest.

5. Manchester seeks intervention in the proceeding for due cause shown for the following reasons:

(a) Manchester is a party to bulk agreement with PAWC that allows for Manchester to transport wastewater to the sewage collection system, interceptors, and wastewater treatment plant (the “System”) that PAWC acquired from the City in 2022 for treatment;

(b) Manchester seeks to ensure that the benefits and protections provided for in the bulk agreement, as well the services actively being provided by PAWC, are maintained, including all post-closing obligations agreed to by PAWC in connection with its acquisition of the System;

(c) Manchester seeks to further ensure that its residents are afforded fair and reasonable treatment in connection with the instant proposed transaction, and that the service being provided by PAWC will not be negatively impacted, particularly in view of a lack of clarity of how such service may be impacted by the “implementation team” resulting from the transaction; and

(d) Manchester seeks to protect the interests of all Manchester residents who could be affected by the proposed transaction set forth in the Joint Application, including any potential rate impact.

6. Manchester has a substantial and bona fide interest in the subject matter of this docket and its interests, which are unique to its service area, cannot be represented or protected adequately by other existing parties to this docket.

7. As a municipality whose residents are receiving critical services from PAWC, Manchester submits that its intervention is in the public interest.

8. Manchester intends to play an active role in the PUC’s decision-making process and its participation herein will not unduly prejudice any party.

WHEREFORE Manchester Township respectfully requests that the Commission grant the instant Petition to Intervene in this proceeding.

Respectfully submitted,

/s/ Thomas Wyatt
