Re: Columbia Gas of Pennsylvania, Inc.'s base rate proceeding compliance filing;
Supplement No. 404 to Tariff Gas - Pa. P.U.C. No. 9

Dear Attorney Tunilo:

By Opinion and Order entered December 9, 2025, the Commission authorized Columbia Gas of Pennsylvania, Inc. (the Company) to file a tariff supplement designed to produce annual operating revenues of approximately \$974,635,633, representing an annual revenue increase of approximately \$55,627,800, to become effective for service rendered on and after January 1, 2026, in accordance with the above docketed rate investigation. On December 17, 2025, the Company filed Supplement No. 404 to Tariff Gas - Pa. P.U.C. No. 9 to become effective January 1, 2026. The compliance filing includes a Proof of Revenue demonstrating that the tariff adjustments comply with the provisions of the Commission's Opinion and Order.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the supplement is effective by operation of law as of the effective date contained on each page. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.
