RE: Universal Service Plan Charge
Effective January 1, 2026
M-2025-3059472

Dear Ms. Danhires:

The Bureau of Audits has reviewed Columbia Gas of Pennsylvania, Inc.'s proposed Supplement No. 408 to Tariff Gas – Pa. P.U.C. No. 9 and the supporting rate computations submitted on December 23, 2025 to become effective on January 1, 2026.

Based upon staff review, it appears that the proposed Universal Service Plan (USP) Charge for the three-month period of January 1, 2026 through March 31, 2026 is consistent with the tariff and, accordingly, is permitted to become effective as filed.

The USP Charge is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2025-3059472.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
