SECOND Request for Information

Questions for evaluation on a PUC Application require regulation compliant answers, they should be well thought out and complete, and must answer all parts of the questions asked. Please review Title 52 PA Code to ensure your answers meet that standard.

- 1) In regard to Question #10 of the application for proposed service area, the counties listed cover far too much of a physical area for your company just starting out to be able to adequately cover. Additionally, at least Allegheny County is on the opposite side of the state, from which it would take hours driving to reach, which makes no sense fiscally. The territory must be revised. Please call me to discuss, Jerome Elliott, 717-214-7155.
