ALL PARTIES OF RECORD

Re: Consuelo Suarez v. Philadelphia Gas Works
Docket Number: C-2025-3054512

To All Parties of Record:

On December 30, 2025, my office received Exceptions to the Initial Decision of Administrative Law Judge Guhl in the above captioned matter. Our review of the filing revealed that no certificate of service or other indication that the parties of record to the case were served with the Exceptions. Therefore, we have enclosed a copy of the Exceptions to constitute service for purposes of 52 Pa. Code §5.533.

Due to the failure of Consuelo Suarez to provide service on all the parties of record to the case, and in order to avoid prejudice to any party pursuant to 52 Pa. Code §5.535, the Respondent shall have until January 20, 2026 to file Reply Exceptions.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large initial 'M'.

Matthew L. Homsher

C-2025-3054512

Office of the Administrative Law Judge

To Whom It May Concern,

My name is Consuelo Suarez. I filed a complaint with Philadelphia Gas Works.

With much sleepless nights, thinking and praying about my upcoming initial decision, I write to you today pleading further review and decision on my case.

Like I mentioned in my hearing before, I am a 61 year old woman that is not capable or worthy of theft. When I read the History of the Proceeding it broke my heart to see the word thief. Sometimes, I cannot even utilize my cell phone properly, and I have to go to my kids for help, imagine me tampering with a gas meter.

I understand the bill was under my name, but I was not the only person living there, and was not aware of any thing going on with the meter.

I am a God fearing woman. The only justification I have is my honesty. I dislike lies or thieves. It is so unfair of all the accusations. I do not have all that money to pay PGW.

Asking for considering,

Much blessings,

Connie
