**Re: UGI Utilities, Inc. - Gas Division and UGI Utilities, Inc. - Electric Division
Universal Service and Energy Conservation Plan for 2026-2030
Docket Nos. M-2025-3054362, et al.**

Dear Secretary Homsher:

On December 22, 2025, the Pennsylvania Public Utility Commission (“Commission”) issued a Secretarial Letter directing UGI Utilities, Inc. – Gas Division (“UGI Gas”) and UGI Utilities, Inc. – Electric Division (“UGI Electric”) (collectively, “UGI” or the “Company”) to file a revised projected needs assessment for UGI Gas within 15 days, i.e., by January 6, 2026.

The Company respectfully requests an extension until January 16, 2026, to file the revised projected needs assessment, as additional time is needed to gather the requisite information and prepare the revised projected needs assessment. If the Company can provide the revised projected needs assessment sooner, it will do so.

In addition, UGI held a meeting with the Bureau of Consumer Services (“BCS”), the Office of Consumer Advocate (“OCA”), and the Coalition for Affordable Utility Services and Energy Efficiency in Pennsylvania (“CAUSE-PA”) on December 30, 2025, to discuss the Commission’s December 22, 2025 Secretarial Letter. During that meeting, UGI raised the prospect of requesting an extension to file the revised projected needs assessment for UGI Gas. The Company’s understanding is that those entities do not oppose such an extension.

Copies of this filing are being served as indicated on the Certificate of Service.
