Re: *Fine v. Comcast Phone of Pennsylvania, LLC*
Docket No. C-2025-3058556

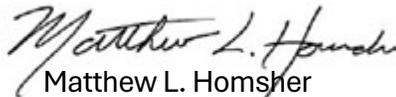

Dear Parties:

On December 4, 2025, Comcast Phone of Pennsylvania, LLC (Comcast) filed a motion for a 30-day extension to file a response to Mr. Fine's Formal Complaint. Comcast's motion was granted by Secretarial letter on December 5, 2025.

On January 5, 2026, Comcast filed a second motion for an additional 30-day extension, again averring that that the parties were actively seeking a non-adjudicative resolution to the case and that, in order to facilitate the pending settlement discussions, an extension was necessary. In its January 5, 2026 motion, Comcast again indicated that an attempt was made to acquire Mr. Fine's consent to the extension, but a response had not yet been received at the time of filing its motion.

Comcast is granted an extension of time to file its Answer to the above captioned Formal Complaint. Comcast's Answer and any other responsive pleadings are due to be filed with the Commission by the close of business (4:30 p.m. EST) on February 4, 2026. Any further requests for extensions must indicate that Complainant agrees with proposed extension and must be filed prior to February 4, 2026.¹

Very truly yours,

Matthew L. Homsher
Secretary

¹ The Commission's regular office hours are 8:00 a.m. to 4:30 p.m. I note that Comcast's first motion for extension was filed at 3:46 p.m. on the day its answer was due (December 4, 2025). In granting Comcast's December 4, 2025 motion for extension, Comcast was advised that further requests for extension should be made prior to the date on which the pleading is due. Notwithstanding the instructions contained within the December 5, 2025 Secretarial Letter, Comcast filed its second motion for extension at approximately 4:10 p.m. on January 5, 2026, the day Comcast's Answer was due under the original extension granted on December 5, 2025. Comcast is once again instructed to file any further extension requests prior to the day said response is due.
