This customer class reflects situations in which a large commercial, industrial, and/or governmental customer account also contains features of residential and/or small commercial customers. In this instance, the residential and/or small commercial portion must be an incidental portion of the larger account. **This customer class alone does not allow marketing targeted directly to residential and/or small commercial customers.** Further information may be found in the Requirements Applicable to Mixed Meter Scenarios Secretarial Letter served March 25, 2011, at Docket No. M-2009-2082042.

f. **START DATE:** Provide the approximate date the Applicant proposes to actively market within the Commonwealth.
