Respectfully, we write on behalf of **Parsa Ariana LLC** regarding the above-referenced matter currently pending before the Office of Administrative Law Judge of the Pennsylvania Public Utility Commission, **PUC Docket No. A-2025-3057853**.

We acknowledge receipt of the Interim Order dated December 11, 2025, directing the Applicant, as a limited liability company, to be represented by legal counsel in this adversarial proceeding. We fully understand and respect the Commission's regulations and the Administrative Law Judge's Order requiring attorney representation.

At this time, Parsa Ariana LLC respectfully provides notice of its intent to voluntarily withdraw the portion of its application seeking authority to operate in **Bucks County, Pennsylvania**, in connection with **PUC Docket No. A-2025-3057853**. This decision is made in good faith for the purpose of narrowing the scope of the proceeding and avoiding further dispute with the protesting parties.

Parsa Ariana LLC does not intend to operate, provide service, or seek authority in Bucks County in any capacity. The Applicant respectfully requests that its application proceed solely with respect to the **City and County of Philadelphia**.

The Applicant is in the process of retaining Pennsylvania-licensed legal counsel who will formally enter an appearance on its behalf and file the appropriate petition or amendment in accordance with the Commission's procedural rules.

This correspondence is submitted solely as a notice of intent and is not intended to substitute for a formal filing by counsel. The Applicant respectfully requests acknowledgment of this notice.

Thank you for your time and consideration.

Respectfully Submitted,
Parsa Ariana LLC
