Request for Information

1.) Question #4 of the application.

It was indicated your Legal Name (Company Name) is “Trayvond L. Massenburg” and it was registered with the Department of State. An invalid PA Corporation ID # was provided. Correct the Legal Name of the Company on page no: 1 of the application with the correct PA Corporation ID # or explain the discrepancy with the e-filing information indicating the Legal Name is “Transporting Lives Mindfully LLC”.

2.) Question #10 of the application.

A.) Is it your intention to offer transportation services from points in the City and County of Philadelphia?

B.) The proposed persons being transported limits your service to non-medical transportation passengers only. Do you wish to broaden your customer base?

Please make corrections with the Commission’s parameters in mind or verify that the example below is what you now intend.

Example: To transport persons, by motor vehicle, in Paratransit service, from points in City and County of Philadelphia, to points in Pennsylvania, and return.

3.) Question #2 Verified Statement.

A statement of ownership is not requested here. We need you to list the Company's relationship with other motor carrier companies here.

4.) Question #4 Verified Statement.

A.) Please include the plan on how you are to secure customers' sensitive information.

B.) Please respond with a clear description of where your vehicle(s) will be parked in relation to the physical address (Philadelphia PA).

C.) Please explain the Erie PA mailing and email address. Are these addresses exclusively for Trayvond Massenburg or that of a third-party consultant assisting with the application?

If the address is not your own, then you must remove it from our record and provide us with an alternative mailing address.

- **Note:** Only attorneys will be added to Commission records, third party consultants will not, and refrain from adding their information to our paperwork.

5.) Question # 5 Verified Statement. Please reference the requirement of Title 52 of the Pennsylvania Code § 29.503, Code § 29.504 and Code § 29.504 which may be accessed at www.pacode.com. This is not optional.

A.) You need to provide a compliant ongoing plan for reviewing after the mentioned initial hiring check, for both the driver's licenses and criminal history.

B.) Please include your minimum hiring age requirement for drivers.

C.) Finally, you must explain your policy regarding your driver training program beyond saying that only will be offered and completed. Furnish the program on separate pages and attach it to your reply to us.

6.) Question #7 of the Verified Statement.

Provide an explanation of what the trip inspections will encompass. Submit documents that might be used for these daily inspections.

7.) Your Statement of Financial Position (Balance Sheet) was omitted. This is unacceptable.

- A.) You are required to provide a dated balance and complete sheet. This is not an option. It is expected that the company is fully funded and ready to commence operations. The Commission will need to determine that you have financial capabilities to run a safe, efficient, and reliable transportation operation. If you are unable to provide a compliant balance sheet, your application will be denied, as per 52 Pa. Code §41.14. It is the responsibility of the applicant seeking motor common carrier authority to demonstrate that it possesses the financial ability to provide the proposed service. Any assets which may need transferred to the applicant should happen prior to adding them to the completed balance sheet.
- B.) To fully assist the Commission in determining financial fitness please submit copies of the claimed vehicles' registrations or titles and a copy of a recent bank account statement ALL in the name of the Company. The bank statement(s) account numbers may be redacted. If you may choose to submit a notarized/official statement(s) of the Companies' finances provided by bank officers. Please make sure their contact information is current.
