**RE: Application of US Medical Transportation, LLC, 850 Walnut Bottom Rd., Carlisle,
Cumberland County, PA 17013. 717-594-1254**

To Whom It May Concern:

The purpose of this Letter is to advise you that your Application, Docket No. A-2025-3058980 has been **DENIED** by the Pennsylvania Public Utility Commission (Commission). The Commission has determined that a Certificate of Public Convenience **WILL NOT BE GRANTED** for the following reason(s):

• **Failure to establish fitness to operate:**

On November 18, 2025, the applicant submitted a request for an ownership change for its existing paratransit authority. Review of the application determined that the applicant had submitted an application for the approval of a stock transfer, rather than the appropriate membership change application. The initial application was also reviewed for potential issues which would need to be addressed when the correct application type was re-submitted.

Specifically, the applicant was asked to provide explanations and evidence supporting the claimed financial position and claimed vehicle assets. This was deemed essential due to the information disclosed in the Sales Agreement, which indicated that no vehicles were included in the list of transferring assets. Accordingly, on December 16, 2025, a 10-day data request was issued which directed the applicant to submit the appropriate application type and to provide the necessary substantiating evidence.

On November 30, 2025, the applicant submitted a revised application and a response which failed to provide the requested explanations, the evidence supporting the claimed financial position, and evidence verifying the claimed vehicle assets. Absent the requested evidence it is

not possible for the Commission to determine that applicant's continued ability to offer safe, efficient, and reasonable transportation under the proposed new ownership.

For these reasons the application is DISMISSED and DENIED
