Application No.: A-6428540

KEYSTONE EASYRIDE LLC

1130 – 13th Avenue

Altoona, PA 16601

RESPONSE TO DATA REQUEST

Driver Compliance – 52 Pa. Code Chapter 29

§29.503 – Age Restrictions

Keystone EasyRide LLC will utilize only drivers who meet all age and licensing requirements under 52 Pa. Code §29.503. Each driver's date of birth and valid Pennsylvania driver's license will be verified prior to hire and prior to being placed into service.

Record Retention: Driver identification and age verification records will be maintained for a minimum of three (3) years after separation.

§29.504 – Driver History (Motor Vehicle Record)

Prior to hire, Keystone EasyRide LLC will obtain and review each driver's Motor Vehicle Record (MVR) to evaluate driving history, including violations, suspensions, and accidents.

Frequency: MVRs will be reviewed at the time of hire and annually thereafter, and additionally following any reportable accident or violation.

Record Retention: MVRs and evaluation documentation will be retained for a minimum of three (3) years after separation.

§29.505 – Criminal History

All drivers will undergo a criminal background check prior to hire. Any conviction deemed disqualifying under applicable law or company safety standards will result in denial of driving duties.

Frequency: Criminal history checks will be completed prior to hire and reviewed again as required by law or if an incident warrants review.

Record Retention: Criminal background documentation will be retained for a minimum of three (3) years after separation.

Driver Qualification File

A Driver Qualification File will be maintained for each driver and will include, at minimum:

- Copy of valid Pennsylvania driver's license and proof of age
- Initial and annual Motor Vehicle Records (MVRs)
- Criminal background check confirmation
- Training and safety acknowledgements
- Incident and accident documentation, if applicable

Compliance Oversight and Recordkeeping

The Owner/Manager of Keystone EasyRide LLC is responsible for oversight and compliance with all applicable

PUC driver regulations. Driver records will be maintained in a secure physical or electronic system with controlled access. Compliance checklists and logs will be used to document completion and frequency of required reviews.
