RE: Fixed-Term Bond
Nordic Energy Services LLC
A-2011-2260255

Dear Mr. Roback:

Please find under cover of this letter the financial instrument filed with the Commission on behalf of Nordic Energy Services LLC because it is not acceptable.

The Commission requires a supplier to file an **original** bond, letter of credit, continuation certificate, amendment, or other financial instrument as part of a supplier's licensing requirements under Section 2809(c) of the Pennsylvania Public Utility Code.

The line indicating the date on which the instrument was signed ,sealed and dated is January 31st, 2026. This future date is not acceptable and must reflect the actual date the bond is signed and sealed by the principal and issuer. Please note that the most current version of the template does not contain the "signed, sealed, and dated" line below the first paragraph.

Please file the **corrected, originally signed and sealed security instrument** with my office within 20 days of the date of this letter, preferably by overnight delivery

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'. The signature is written in a cursive style with a large initial 'M'.

Matthew L. Homsher
Secretary
