Re: Approval of Amendment Six to the Contract between PPL Electric Utilities Corporation and CLEAResult Consulting Inc. for the implementation of the Residential Program under PPL Electric Utilities Corporation's Phase IV Energy Efficiency and Conservation Plan, filed with the Commission on November 25, 2025, at Docket No. M-2020-3020824

Dear Mr. Ryan:

This letter acknowledges that Commission staff has reviewed Amendment Six to an existing Act 129 Conservation Service Provider ("CSP") Contract between PPL Electric Utilities Corporation ("PPL") and CLEAResult Consulting, Inc. ("CLEAResult"), filed with the Commission on November 25, 2025, to implement changes to Agreement No. 09048090 (Parent Contract 2313 with P.O. 105933 & P.O. 106537).

The *Phase IV Implementation Order*,<sup>1</sup> *inter alia*, required all Electric Distribution Companies subject to Act 129 to submit, for Commission review, all proposed contract amendments with a CSP. (*Phase IV Implementation Order*, Section G, pages 114-117). The Commission must review, and may order the modification of, these proposed contract amendments. 66 Pa. C.S. § 2806.1(a)(8).

PPL is advised that the above-referenced CSP Contract Amendment is approved.

Furthermore, we note that approval of this filing does not constitute a determination that such filing is consistent with the public interest and that the associated costs or expenses are reasonable or prudent for the purposes of cost recovery. These issues will be addressed by the Commission in any appropriate plan approval and cost recovery proceedings.

<sup>1</sup> *Energy Efficiency and Conservation Program Implementation Order*, Docket No. M-2020-3015228 (June 18, 2020) (*Phase IV Implementation Order*).
