

**Application of Pennsylvania-American Water Company for Acquisition of
Substantially All of the Assets, Properties and Rights Related to the Wastewater
System Owned and Operated by the City of Pittston**

66 Pa. C.S. §1329

Application Filing Checklist – Water/Wastewater

Docket No. A-2025-3056419

17. Customers.

- a. State the seller’s actual number of customers by class and quantify the related consumption or gallons treated in the current calendar year and future number of connections anticipated for the next 5 years and if available, the next 10 years.

RESPONSE:

- a. The City of Pittston provides direct wastewater service to approximately 4,142 customers and conveyance services to approximately 605 customers in Duryea Borough, Hughestown Borough, and Pittston Township.

City of Pittston customers by class: 3,827 residential and 315 commercial.

Duryea Borough by class: 21 residential and 1 commercial.

Hughestown Borough by class: 558 residential and 18 commercial.

Pittston Township by class: 6 residential and 0 commercial.

Consumption and customer projections (annually):

The City of Pittston is not required to provide hydraulic flow or organic loading data as part of the Chapter 94 report process as they are a collection only system.

Through the City of Pittston revitalization and pursuing “100 Houses Initiative” efforts, they are anticipating adding retail, luxury apartments, and a diverse range of living spaces within the City. Please refer to Appendix-A-13-a, Statement No. 1, pg. 4.
