Re: PL Utilities, LLC – Original Supplement to Wastewater – Pa. P.U.C. No. 1;  
Tariff Compliance Filing

Dear Mr. Shaw:

On January 6, 2026, PL Utilities, LLC – Wastewater (the Company) filed Original Supplement to Wastewater – Pa. P.U.C. No. 1 to become effective on January 7, 2026. On January 13, 2026, the Company re-filed the compliance supplement to make minor language and formatting changes. Original Supplement to Wastewater – Pa. P.U.C. No. 1 was filed in compliance with the Commission’s Opinion and Order entered March 7, 2025 at Docket No. A-2024-3049591, and authorizes the Company to begin to offer, render, furnish and supply wastewater services to the public in the service area formerly served by Deer Haven, LLC (Deer Haven), in portions of Palmyra Township, Pike County. Deer Haven agrees to abandon these wastewater services.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation do not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, Original Supplement to Wastewater – Pa. P.U.C. No. 1 is effective by operation of law as of the effective date contained on each page of the supplement. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

Sincerely,

Matthew L. Homsher
