

Docket No. A-2025-3059420

Shane Vent t/a Vent's Landscaping

Request for Information

1.) Please describe your utility service in detail. Explain what transportation services Shane Vent t/a Vent's Landscaping offers that are not related to its landscaping business.

Shane Vent dba Vent's Landscaping has two large dump trucks: 1998 Freightliner & 2006 Freightliner. These units are used for hauling dirt, stone, and equipment for bigger landscaping jobs. They are not used on every job. We have been approached by other companies to haul dirt and stone as a subcontractor and want to make sure we have requirements in place. Doing this occasional hauling for hire would supplement our income. Please let me know if you have additional questions.

I, Shane Vent, hereby state that the facts above set forth are true and correct to the best of my knowledge, information and belief, and that I expect to be able to prove the same at a hearing held in this matter. I understand that the statements herein are made subject to the penalties of 18 Pa.C.S. § 4904 (relating to unsworn falsification to authorities).
