

PETITION FOR RECONSIDERATION FROM STAFF ACTION

The Applicant, Posh Rides Inc. t/a Posh Rides, respectfully petitions the Pennsylvania Public Utility Commission for reconsideration of the denial issued at Docket No. A-2026-3059951.

The denial was based on non-compliance with 66 C.S. § 2604.1(b)(10)(i) and (ii) relating to the requirement to maintain a publicly accessible Internet website providing customer service contact information and Pennsylvania Public Utility Commission consumer complaint information.

The Applicant has corrected the identified deficiency by establishing and maintaining a publicly accessible webpage that clearly provides multiple methods to contact Posh Rides customer service and prominently displays the Pennsylvania Public Utility Commission consumer complaint telephone number and website address.

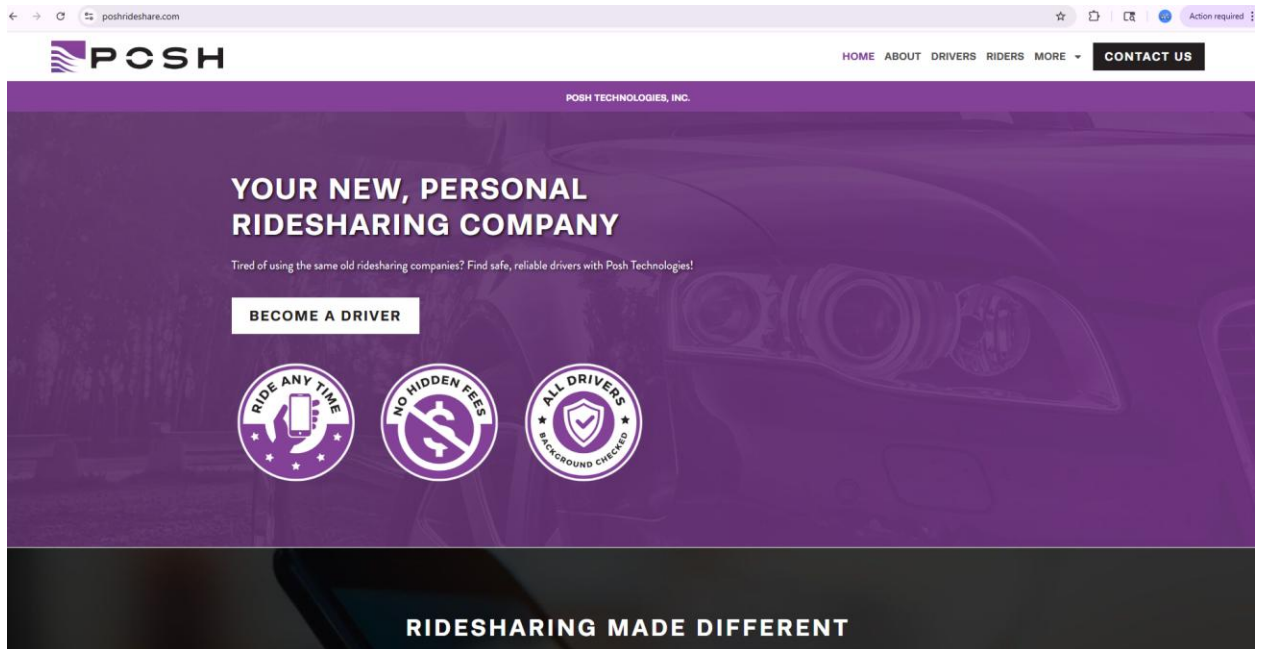

The compliant webpage is publicly accessible at:
