ORDER

BY THE COMMISSION:

On November 3, 2025, Pennsylvania MSA LLC (“PA MSA” or “Company”), utility code 3119952, filed an Application seeking a Certificate of Public Convenience pursuant to Section 1102(a)(2) of the Public Utility Code, 66 Pa. C.S. § 1102(a)(2), evidencing Commission approval of the discontinuance and abandonment of Competitive Local Exchange Carrier (CLEC) and Competitive Access Provider (CAP) services to the public in the Commonwealth of Pennsylvania.

PA MSA is currently certificated to provide telecommunications services as a CLEC in the service areas of Verizon Pennsylvania LLC, Verizon North LLC; Brightspeed of Pennsylvania LLC, Consolidated Communications of Pennsylvania Company, and Commonwealth Telephone Company d/b/a Frontier Communications Commonwealth Telephone Company at Docket No. A-2023-3041821 as well as a CAP (Statewide) at Docket No. A-2023-3041822. The Company’s Certificates were issued on

June 10, 2024. PA MSA proposes to discontinue and abandon the provision of CLEC and CAP services within Pennsylvania.

The Company avers that it has no active customers and does not plan to provide services in the Commonwealth of PA.¹ The Company avers that it served its last customer on September 30, 2025.²

The Company is current on all assessments, reports, and regulatory fees. The Company has submitted the required filing fee of \$350 with the Application pursuant to 52 Pa. Code § 1.43. There are no NXX codes affected by this Application.

A copy of the Application was sent to the Office of Consumer Advocate, the Office of Small Business Advocate, and the Office of the Attorney General as evidenced by the Certificate of Service submitted with the Application. No protests were made since the Application was filed and no hearings were held. In addition, no motions or petitions were filed in this proceeding.

Upon full consideration of all matters of record pertaining to the Application, we find that approval of the Application would be in the public interest. Upon abandonment, all rights and privileges as a public utility existing under the Certificate now subject to abandonment in Pennsylvania, including but not limited to all rights and privileges with eminent domain authority, zoning exemptions, and public right-of-way occupancy, shall be revoked; **THEREFORE,**
