RE: Citizens' Electric Company of Lewisburg
Interim Generation Supply Service Rate
Effective February 1, 2026
M-2026-3059936

Dear Mr. Bakare:

The Bureau of Audits has reviewed Citizens' Electric Company of Lewisburg's proposed Supplement No. 176 to Tariff Electric – Pa. P.U.C. No. 14 and the supporting rate computations submitted on January 21, 2026 and revised on January 29, 2026, to become effective on February 1, 2026.

Based upon staff review, it appears that the proposed Interim Generation Supply Service Rates for the four-month period of February 1, 2026 through May 31, 2026 are consistent with the tariff and, accordingly, are permitted to become effective as filed.

The Generation Supply Service Rate is subject to continuous Commission review and audit as well as reconciliation reports in accordance with Section 1307(e) of the Public Utility Code, 66 Pa. C.S. § 1307(e).

Pursuant to the Commission's regulations at 52 Pa. Code § 5.44 (relating to petitions for reconsideration from actions of the staff), you may appeal by filing a petition for reconsideration with the Commission within 20 days of the date of this letter. Any subsequent submissions to the Commission related to this docketed case should reference Docket No. M-2026-3059936.

Sincerely,

A handwritten signature in black ink that reads 'Matthew L. Homsher'.
