Re: Pennsylvania Public Utility Commission v. Valley Energy, Inc.; Compliance Supplement

Dear Attorney Bakare:

By Order entered January 15, 2026, the Commission authorized Valley Energy, Inc. (the Company) to file a tariff supplement containing rates, rules, and regulations consistent with the Joint Petition for Settlement filed in the above docketed rate investigation, and designed to produce an annual increase in gas distribution base rate operating revenues of approximately \$1.105 million. On January 28, 2026, the Company filed Supplement No. 73 to Tariff Gas Pa. P.U.C. No. 2 to become effective January 29, 2026, in compliance with the Order.

Commission Staff has reviewed the tariff revisions and found that suspension or further investigation does not appear warranted at this time. Therefore, in accordance with 52 Pa. Code Chapter 53, the supplement is effective by operation of law as of the effective date contained on each page. However, this is without prejudice to any formal complaints timely filed against said tariff revisions.

If you have any questions in this matter, please contact Marissa Boyle, Bureau of Technical Utility Services, at (717) 787-7237 or [maboyle@pa.gov](mailto:maboyle@pa.gov).

Sincerely,

Matthew L. Homsher
