Data Request

SECOND REQUEST FOR INFORMATION:

1. Previously you were advised that the scope of your requested authority needed to be based upon the resources you had available. You were also advised that if you failed to make a request which exceeded your available resources that the Commission would likely restrict your request to a scope that the Commission believed you had sufficient resources to support. The scope of the authority is in no way dictated by “existing or developing relationships” you may or may not have with potential partners.

At this time you are only presenting the Commission with evidence of the intention to utilize two vehicles and two drivers in a requested operating area which is between 19,000-20,000 sq. miles and consisting of 24 counties. You also present no evidence of additional satellite offices or facilities outside of Venango County.

With the lack of resources shown, the Commission believes your territory request to be unreasonable and it will not be approved as presented. If in the future you develop additional resources and facilities you are welcome to apply for additional operating authority, so long as the request is commensurate with your resources.

Based upon what has been presented, the Commission believes a territory which includes Venango County, and possibly its directly adjacent neighbors, to be more appropriate to your resources. Please reconsider your proposed territory in light of the discussion above and submit your revisions for further consideration.

TERRITORY GUIDELINES:

Your proposed service area must be fully bound, and easily discernible. This may be achieved by the use of municipal boundaries, roads, railroads, or natural boundaries such as rivers and streams, etc.

YOU SHOULD ONLY SPECIFY AREAS FROM WHICH YOU WISH TO ORIGINATE SERVICE.

Example:

- a. Between points in Pennsylvania
- b. between points in the counties of X, Y, and Z.
- c. from points in the counties of X, Y, and Z, to points in Pennsylvania, and return.

- d. from points in the counties of X, Y, and Z, to points in the counties of A, B, and C, and return
2. You have failed to present a revised balance sheet which reflects your actual circumstances. Your balance sheet does not reflect the proper account balance or actual vehicle assets. This is not optional – the balance sheet is to reflect actual holding. This information will not be requested a third time.

PLEASE FULLY REVIEW THE GUIDELINES PRESENTED BELOW (previously provided):

Please review the below criteria and submit a revised compliant Statement of Financial Position (**if necessary**) and provide **evidence** to support the statement (**required**):

- a. The statement presented must be **DATED and comprised of information which is less than 6 months old.**
- b. The submission **MUST be comprised of information which is accurate as of the date provided.**
- c. **The information is to be exact and should not include estimates or approximations when accurate numbers are available.** Property and vehicle valuations may be approximations; however, if the valuation is higher than typical Kelly Blue Book (or similar) valuations, you should provide an explanation as to why (e.g. vehicle with an installed wheelchair lift, etc). Bank accounts and loan balances should be exact amounts (rounded to the nearest dollar).
- d. **ALL relevant assets and debts** are to be included (**vehicle loan balances/vehicle asset value, lease expenses, etc.**).
- e. **The information provided is also to be strictly limited to assets and debts HELD BY THE APPLICANT (SECURIDE TRANSPORTATION LLC), and not the individual member(s). Any property and accounts listed MUST be registered or titled to the corporation. Bank accounts must be in the name of SECURIDE TRANSPORTATION LLC. Vehicles must be registered to SECURIDE TRANSPORTATION LLC. Property must be titled to SECURIDE TRANSPORTATION LLC. Relevant Vehicle and facility leases should also be properly shown and allocated. If these items are not in the name of SECURIDE TRANSPORTATION LLC, they should NOT be included on the balance sheet.**

If you have not fully funded and equipped the business, now is the time to do so (before re-submitting your updates). Applicants lacking suitable finances, resources, and equipment will be denied authority.

Finally, in order to fully assist the Commission in verifying your financial fitness, please provide supporting documentation for the statement of financial position (balance sheet). Acceptable means of support include current copies of bank statements (account numbers may be redacted), and/or notarized/official statements of account balances/ownership provided by bank officers (with current contact information). Also include any and all claimed vehicles or land/buildings must also include proof of ownership/registration - vehicle registrations, property titles, purchase agreements, leases, etc.

You are encouraged to enlist professional financial assistance if you experience difficulty in constructing your statement of financial position. Be advised that failing to provide an acceptable financial statement is sufficient grounds for the denial of your application, as is failure to provide the requested supporting documentation.
