Telecommunications Carrier in the Commonwealth of Pennsylvania for the
Purpose of Providing Lifeline Service to Qualifying Customers
(Docket No. P-2025-3059118)

Dear Mr. Nouch:

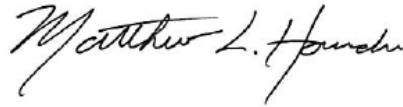

As noted in the Commission's January 5, 2026 secretarial letter, the Petition that you filed on December 5, 2025 on behalf of Finch Wireless.AI Inc. (Finch Wireless), seeking designation as an Eligible Telecommunications Carrier in the Commonwealth of Pennsylvania, contains no evidence that service was effectuated on the below-mentioned parties.

The Commission's regulations require that all petitions must be served on other parties whom petitioner believes will be affected by the petition, as well as with the Commission's Bureau of Investigation and Enforcement, the Office of Consumer Advocate, and the Office of Small Business Advocate. 52 Pa. Code § 5.41. Additionally, the Petition must also be served on the Pennsylvania Telephone Association and all affected incumbent local exchange companies. Further, such service must be evidenced with a certificate of service filed with the petition. *Id.*

The Commission requests that you serve the above-mentioned parties and provide evidence of such to the Commission within 10 days of the date of this letter. If compliance with this directive is not satisfied, the Commission will issue a denial of Finch Wireless' Petition.

Please direct any questions to Erin N. Tate, Assistant Counsel, Law Bureau, at (717) 214-1956.

Sincerely,
